In Memoriam

This 2002-03 Voting Assistance Guide is dedicated to the memory of the thousands of victims of the September 11, 2001 terrorist attacks on the U.S. These heroes died upholding our most basic and cherished ideal--liberty. Quietly going about their daily business advancing freedom, they unsuspectingly fell victim to those who would destroy democracy. As a continuing tribute to these fallen citizens we encourage free people everywhere to vote in their national, state and local elections and thereby continue to defend civilization's greatest achievement: democracy.
